YOUR GENEROSITY MAKES A DIFFERENCE

Partner of End Hunger,

Thank you for supporting our mission to feed the hungry throughout Southern Maryland.

You have helped us distribute almost 1.5 million pounds of food to 25,000 people in 2021, and we're still working hard to ensure that food pantries stay stocked and have resources throughout these challenging days. Every time you invest in the hungry, you're creating a better tomorrow.

Having food on the table helps children concentrate in school, empowers single moms to keep their families together, and provides families with the dignity of having meals in their own homes.

In addition, you are creating opportunities for individuals with disabilities to live independent lives and become productive members of our community. We are committed to developing our Culinary Training Program to reach, serve, and walk alongside these students and families.

You are End Hunger.

Together, we're on a mission to ensure that families in Southern Maryland are cared for. Your generosity brings hope, education, and honor back into families and homes.

Thank you for your generosity. Even after twelve years of working for End Hunger, I continue to be inspired by you and our community of passionate supporters.

With gratitude,
Jacqueline Miller

LIFE CHANGE HAPPENS THROUGH RELATIONSHIPS

MEET CLAIRE

When I heard the Chick-fil-A Manager say “Please don’t hesitate to apply!", **I knew new doors were opening for me**.

Before the End Hunger Culinary Training Program, I volunteered in food service but had not been able to pursue a career because of challenges that have come with my disability. I heard about the Culinary Training Program, I became interested in the possibility of finally getting a full-time job.

Before this program, I lacked confidence in working in the kitchen. However, throughout my time in class, thanks to one-on-one coaching and hands-on instruction, my confidence grew. I enjoyed making apple turnovers, pico de gallo, and homemade pizza along with many other great foods like chicken noodle soup and Asian dumplings.

I admit the class was not easy for me, but I put in the time to study and kept a positive attitude. I chose to persevere through challenging lessons and encouraged my classmates to do the same. I graduated with my ServSafe Food Handler Certification which will give me an advantage as I apply to jobs in food service. I am also looking forward to staying connected through the new Culinary Training Alumni program, where I can continue growing the skills I learned in class.

I know this is just the beginning and that the Culinary Program will continue walking this journey alongside me.

THANK YOU END HUNGER,
CLAIRE

EXCELLENCE IN ALL THINGS

MEET RICHIE

"I noticed how much passion and excitement the End Hunger community had for the future. It was contagious, and it was something I wanted to be a part of."

I have seen End Hunger **impact countless lives**. Almost as soon as I started with the Warehouse Team, the pandemic hit and End Hunger took on the task of keeping kids that were on school lunch programs fed while schools were shut down. The number of volunteers that came together to pack and transport those meals gave me such a sense of unity in our community, and everyone did it with a smile and **a sense of real purpose**.

When we donate to End Hunger, our donations provide real solutions to real people in Southern Maryland.

It's an honor to **to help those in need**, and it gives my life a sense of purpose. The more families that get involved and serve together, **the stronger our community will be**.

THANK YOU END HUNGER,
RICHIE

GREAT PARTNERS CREATE GREAT RESULTS

Together with our donors, volunteers, and partners, we develop big-picture solutions to support lasting change for the people we serve. Because of you, families continue to have food on their tables. Students with disabilities are learning life-skills and landing jobs that give them purpose, dignity, and a sense of belonging.

THE TABLE

The Table is a new community of **17 dedicated monthly givers** on a mission to end hunger in our community. In 2021, this community grew by **13 new members,** and by the end of 2022, our goal is to grow The Table to more than 50 monthly givers.

BUSINESS PARTNERS

Our local businesses community is dedicated to ending hunger in Southern Maryland. With their support, **33 businesses in the tri-county area donated $64,719** toward our programs that change lives.

INDIVIDUAL DONORS

Our individual donors allow us to provide our services where they are needed most. In 2021, this equipped us to take on the challenge of distributing **115,872 meals to feed children who relied on school meals for breakfast and lunch** while schools were closed.

GRANT PARTNERS

Because of the work we are doing in Southern Maryland, **23 grantors** were inspired by the vision of the End Hunger Warehouse. They **contributed $2,487,837** so we could keep moving on construction during the pandemic.

IN MEMORY OF DOUG

To us, Doug Hill was more than than a meteorologist and more than a TV personality, he was a champion for the needy. With his wife Mary-Ann, Doug spent an entire year visiting businesses, churches, and local groups to rally our community around the new End Hunger Warehouse.

Because of his dedication, thousands and thousands of people now and for generations to come will be cared for; Southern Maryland is a better place because of him. We will miss him dearly and the Dragon Boat Festival won't ever sound quite the same.

While 2021 brought many celebrations, it is also the year we lost Doug, a true partner and friend.

THANK YOU DOUG,
END HUNGER

WHERE WE ARE GOING TOGETHER

The New End Hunger Warehouse not only ensures that the neediest people in Southern Maryland will have access to healthy food for decades to come, but the project itself also stands as a testimony that our values of compassion, service, and community will be passed on to future generations.

THE Warehouse
END HUNGER IN CALVERT COUNTY

FIRST FLOOR | THE WAREHOUSE

The Warehouse serves as Regional Distribution Center for The Maryland Food Bank, which allows us to continue to serve the tri-county area in Southern Maryland.

PICTURED: END HUNGER STAFF, BOARD OF DIRECTORS, AND VOLUNTEERS SIGNED THE CENTER BEAM OF THE WAREHOUSE SIGNIFYING THEIR COMMITMENT TO THE PROJECT.

SECOND FLOOR | THE KITCHENS

The new state-of-the-art culinary kitchens and classrooms allow The Culinary Training Program of End Hunger to expand the ongoing sessions that give individuals with disabilities the culinary skills they need to obtain and keep employment in the hospitality industry.

This expansion also allows us to provide healthy cooking classes for the food pantry clients we serve.

THIRD FLOOR | THE COLLABORATIVE

The Collaborative is an entire floor dedicated to nonprofits coming together with new ideas on how to break the poverty cycle. End Hunger will provide resources to assist new nonprofits to launch efficiently.

ALL PEOPLE MATTER

MEET A SINGLE MOM

" ...do I pay my mortgage or do I give my kids a good, balanced diet?"

Before End Hunger In Calvert County, I was devastated and had such low self-esteem because of my divorce and everything else going on in my life.

The food End Hunger supplied allowed me to pay for school expenses, doctor visits, energy bills, clothes, and not worry about paying for groceries. But it's more than groceries and bills. Their support allows me to be a better Mom to my kids because I am less worried about other things.

The staff and volunteers have been such a blessing to my family. I do not feel ashamed to ask for food. They are so supportive of my situation and walk this road with me.

Now, I am putting on my "big girl pants" and getting to work with the business of raising four children.

I am grateful to everyone who supports End Hunger, you supported me.

THANK YOU END HUNGER,
A SINGLE MOM
