1. ORGANIZATION

End Hunger In Calvert County, Inc. (End Hunger) was incorporated in Huntingtown, Maryland on July 24, 2009, for the purpose of making distributions to not-for-profit organizations to assist public welfare.

The coronavirus (COVID-19) outbreak in the United States commenced prior to the Church's fiscal year-end and has directly impacted its operations since early spring 2020. The COVID-19 pandemic caused a broad and negative impact on commerce and financial markets around the world including travel restrictions and limits on in-person gatherings.

Accordingly, the extent to which COVID-19 may impact End Hunger's financial position and changes in net assets and cash flows is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements are presented in accordance with the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized when incurred.

The financial statements of End Hunger have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which requires End Hunger to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets Without Donor Restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of End Hunger. These net assets may be used at the discretion of management and the Board of Directors.

Net Assets With Donor Restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of End Hunger or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

The accounts receivable balance represents amounts billed before year-end for which the payment from various sources is expected to be received in the subsequent period.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Promises to Give

Unconditional promises to give are recorded as receivables and revenue when received. End Hunger distinguishes between contributions received for each net asset category in accordance with donor-imposed restrictions.

Conditional promises to give are recognized when the conditions are met.

Management determines the allowance for doubtful promises to give by using the historical experience and the aging of the promise to give population. Promises to give are written off when deemed uncollectable. Based on management's evaluation, there is no allowance for doubtful promises to give as of December 31, 2020.

Donated Food Inventory

Donated food inventory is reported at fair value based on an average value per pound estimate calculated by the Maryland Food Bank.

Property and Equipment

Property and equipment are capitalized at cost and depreciated or amortized over useful lives of five to fifteen years. End Hunger's policy is to capitalize items over $1,000.

Revenue Recognition

Contributions and grants, including unconditional promises to give, are recognized as revenues in the period received or pledged. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions of assets, other than cash, are recorded at their estimated fair value at the date of gift. Contributed services and materials are recorded at their estimated fair value if they would otherwise be purchased if not provided by donation and provided by professionals in their field.

During the year ended December 31, 2020, End Hunger received a $82,303 forgivable loan from the Small Business Administration's (SBA) Paycheck Protection Program (PPP). The forgivable loan is a conditional contribution that can be recognized as revenue when the underlying conditions are met. End Hunger has elected to treat the legal forgiveness as the condition.

Additionally, during the year ended December 31, 2020, End Hunger received a one-time $10,000 loan advance from the Economic Injury Disaster Loan (EIDL) program from the SBA. The loan advance is also a forgivable loan, but the forgiveness reduces the forgivable amount under the PPP loan forgiveness program.

As of December 31, 2020, End Hunger has $92,303 reported as a forgivable loan liability that will be recognized in fiscal year 2021 when legal forgiveness occurs.

There were no unrecognized conditional contributions or grants as of December 31, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Event registrations and sponsorships include amounts paid by or on behalf of participants and sponsors. Fees are based on published fixed rates and collected either at the time of registration, in advance resulting in a deferred revenue balance, or at the time that the event takes place and immediately recognized as revenue.

Income Taxes

End Hunger is generally exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. End Hunger is subject to income taxes on unrelated business income, as defined by the Internal Revenue Service. During the year ended December 31, 2020, End Hunger had no taxable unrelated business income, and accordingly, no provision for income taxes is required in the accompanying financial statements.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, End Hunger may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of End Hunger and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for 2020.

End Hunger's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during 2020.

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses present the natural classification detail of expenses by function. Accordingly, occupancy and office expenses, depreciation, information technology costs, and insurance have been allocated among the programs and supporting services on the basis of employee time and effort.

Comparative Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with End Hunger's financial statements for the year ended December 31, 2019, from which the summarized information was derived.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The guidance also expands the required quantitative and qualitative lease disclosures. The guidance is effective beginning in 2022.

Subsequent Events

Management has evaluated subsequent events through August 18, 2021 the date which the financial statements were available to be issued. The accompanying financial statements recognize the effects of subsequent events that provided evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements.
