END HUNGER
IN CALVERT COUNTY

2019 ANNUAL REPORT

A look at what we did *together* this year.

LETTER FROM THE *President*

January 27, 2020

Dear Partner of End Hunger In Calvert County,

On behalf of the over 25,000 people you helped care for in 2019, we extend our deepest thanks.

Together, we distributed 1,534,607 pounds of food throughout Southern Maryland. We also supported relief efforts for those impacted by the fire in Chesapeake Beach. In all, nearly $9,000 and 2,688 pounds of food and products were provided to those in need.

In addition, our Culinary Training Program has become a solution for adults with intellectual developmental disabilities. In partnership with The Arc Southern Maryland we have been able to tailor our curriculum to serve this population and get them working in local restaurants and bakeries.

Perhaps most exciting, 2019 was the year that Calvert County said YES to building The New End Hunger Warehouse. This year we met with 49 local businesses, churches and community groups who committed to financially support building The Warehouse. The project received approval from the Calvert County Planning Commission and construction is moving forward! All of this ensures that the neediest individuals in our community will continue to get the care they need.

As an Accredited Charity of the Better Business Bureau, End Hunger meets all 20 Standards of Charitable Accountability. For every dollar donated, $0.94 goes toward programs that help change lives.

Enclosed with this Annual Report is your 2019 End Hunger In Calvert County Giving Statement. If you have any questions, please contact Chief Financial Officer Larry Patin at 410-257-5672. It's truly our honor to serve you by ensuring our financial records accurately reflect what you have so willingly given.

Thank you for your commitment to the cause of ending hunger in Calvert County. We look forward to partnering with you in 2020.

It is a privilege to serve our community with you. May God bless your commitment and generosity to the people of Calvert County.

Jacqueline Miller

SELF-SUFFICIENCY

The heart of End Hunger

MEET ANDREW

As a young adult with intellectual disabilities, Andrew never pictured himself working in the Food Service Industry, yet he always hoped for purposeful and gainful employment.

Andrew had been given opportunities for employment but never found anything that he truly enjoyed and wanted to pursue long-term. So when the opportunity to join the End Hunger Culinary Training Program arose through a partnership with The Arc Southern Maryland, Andrew jumped in, curious to see what the program had in store.

Once classes began, Andrew found himself interested in the content and excited by the hands-on application of what he was learning. Over time, thanks to his new-found confidence in the kitchen, his employment horizons soon expanded.

ALL STUDENTS GRADUATE WITH NATIONAL RESTAURANT SERVSAFE CERTIFICATION

Andrew is now employed at Dunkin' Donuts in Prince Frederick and part of a great team. He has much more confidence and says he truly loves his job.

The End Hunger Culinary Program equipped Andrew with kitchen skills, National Restaurant ServSafe Certification, and helped him develop professional interview skills.

CLASSES OFFERED FOUR TIMES A YEAR

THE NEW WAREHOUSE

Ensuring the safety net of *care* remains

THE TIME HAS COME TO BUILD.

Having our own Warehouse will save upwards of $90,000 in leasing costs every year. In addition, it allows End Hunger to continue to serve as a Regional Distribution Center for The Maryland Food Bank, ensuring that a consistent food supply remains in our county.

Most of all, The New End Hunger Warehouse not only ensures that the neediest people in Southern Maryland will have access to healthy food for decades to come, the project itself stands as a testimony that our values of compassion, service, and community will be passed onto future generations. These are exciting times for our community!
