now doing business as

COMMUNITY HARVEST
NETWORK

WHO WE ARE

We are excited to announce End Hunger in Calvert County is now doing business as Community Harvest Network, a reflection of the many services offered in addition to the broader reach of recipients over five counties. Our non-profit organization has been meeting the needs of our community for the last 15 years with the help of our community partners who are dedicated to our mission, to end hunger.

Our Culinary Program of End Hunger serves individuals with disabilities and learning differences by equipping them with the skills needed to secure gainful employment. Our End Hunger Food Bank continues to provide food security for all.

WHAT YOU SUPPORT

END HUNGER FOOD BANK

The End Hunger Food Bank supplies food, household goods and other resources to over 50 Partner Feeding Organizations throughout Maryland, including food pantries and HEARTFelt Backpack Programs.

Over 1.6 MILLION pounds of food and resources distributed to thousands who were struggling financially in 2024 alone.

CULINARY PROGRAM OF END HUNGER

The Culinary Program of End Hunger equips individuals with intellectual disabilities and learning differences with the skills needed to gain independence and meaningful employment.

Our FREE ten-week workforce development program gives graduates National Restaurant ServSafe Food Handler Certification and job readiness skills.

END HUNGER MONTH

The Maryland State Senate and Calvert County Board of Commissioners officially declared October as End Hunger In Calvert County Month.

During October, we host a county-wide food drive. This is one way local businesses and families can be involved in restocking our Partner Food Pantry shelves.

OUR EVENT

Hosted in the charming town of North Beach, End Hunger's Annual Dragon Boat Festival is the community event of the year. The Dragon Boat Festival is our largest fundraiser of the year. An average of 2,000+ spectators attend the festival.

Together with our paddlers, we are all supporting the mission to end hunger in Southern Maryland, one family at a time.
