OUR EVENT

Our Golf Classic gives an amazing experience for golfers of all levels. Join us as we spend the day playing 18 beautiful holes at the exclusive Cannon Club in Lothian. When you support events like our End Hunger Golf Classic, you are supporting our mission to provide big-picture solutions to support change in Southern Maryland.

WHO WE ARE

End Hunger In Calvert County is now doing business as Community Harvest Network as a reflection of our increase, a reflection of the many services offered in addition to the broader reach of recipients over five counties. Our non-profit organization has been meeting the needs of our community for the last 16 years with the help of our community partners who are dedicated to our mission, to end hunger.

Our End Hunger Food Bank continues to ensure a consistent food supply remains in Southern Maryland. Our Culinary Program of End Hunger serves individuals with disabilities and learning differences by equipping them with the skills needed to secure gainful employment.

WHAT YOU SUPPORT

END HUNGER FOOD BANK

The End Hunger Food Bank provides essential food, household goods, and vital resources to over 50 Partnering Food Organizations over five counties throughout Maryland, including food pantries and HEARTFelt Backpack Programs to feed hungry students.

CULINARY PROGRAM OF END HUNGER

The Culinary Program of End Hunger equips individuals with intellectual disabilities and learning differences with the skills needed to gain independence and meaningful employment.

Our FREE ten-week workforce development program gives graduates National Restaurant ServSafe Food Handler Certification and job readiness skills.

END HUNGER MONTH

The Maryland State Senate and Calvert County Board of Commissioners officially declared October as End Hunger In Calvert County Month.

During October, we host a county-wide food drive. This is one way local businesses and families can be involved in restocking our Partner Food Pantry shelves.
